Melville House Intern Book Club: La Femme de Gilles by Madeleine Bourdouxhe » MobyLives

If you want to see marriage in the raw, then this is a film for you. Her downfall follows her triumph over Victorine, when she realizes she lives with an empty shirt she scrubs clean. Gilles' wife, Elise, who smiles when she thinks of him, cooks and scrubs and cheerfully makes love to him, suspects during her third pregnancy that he is having an affair with her coquettish younger sister, Victorine.

Elisa's willingness to put up with Gilles' behavior, and her complete subordination to him, make for a protagonist that is uncomfortable for readers, even more so nowadays. Bourdouxhe is writing about the internal destruction that the knowledge brings beyond the everyone knows. We acknowledge and remind and warn you that they may, in fact, be entirely unrepresentative of the actual reviews by any other measure.

There is no grand summary or confrontation; there is no mediation of language to protect us from her sadness and her tragedy. The husband who suddenly discovers an overwhelming passion for his sister-in-law.

La femme de Gilles (2004)

And, well, life gets turned upside down. However, her domestic bliss is over soon when Gilles starts an affair with Elise's sister. What is most interesting is the response to the idea of patient Griselda, and even how we see women who have been betrayed by their husband today.

On the other side, there were people who said that if HRC were a real wife she would have kept her husband, the affair was her fault. With her back turned on Giles and Victorine, she rummages through her bag for some money. Bourdouxhe impeccably captures this man and woman who feel too much, and let themselves be driven by the depths of their longings.
