Director Index

That is a deeper accord with the USSR would extend Japans stratigic depth in effect into the USSR. This is not necessarily a contradiction. Indeed I've seen arguments that carry some weight that the use of atomics in some ways cut into even the emporer's stature amont the Japanese.

References

Given the political weight of the army and an overwhelming sentiment among army officers in favor of continuing the war, the war party might have prevailed had there not been a concerted effort to impose peace on the reluctant army by imperial fiat. He has also written another long article in the Monterrey Nonproliferation Review which is called The Myth of Nuclear Deterrence which is an incisive commentary and critique of the notion. More than half a century later, books and articles on the atonic bomb still provoke storms of debate among readers and the use of atonic weapons remains a sharply contested subject.

Different View Why Japan Surrendered

But the Japanese government learned of the Soviet invasion of Manchuria only from a news agency report at around 4:00 A.

[Shigenori Togo, 1882-1950, head and shoulders, facing front]

It would be the largest invasion force ever assembled.

Afghānistān wa

He said on August 13 that the atomic bomb was no more menacing than the fire bombing Japan had already endured for months. We had half anticipated this military situation and the military fortune. The United States replied that the authority of the Emperor would be subject to the Supreme Commander of Allied Powers.
