The Northern Ireland Assembly

NIR was a more pro-rail organisation and it set about making improvements to the network in the Belfast area. Occasional special services and excursions continued to run from Glenavy in the 1960s. A Railway Atlas of Ireland.

NI Railways

The Housing Executive's review of its House Sales Scheme addresses this issue but concludes that it is not a viable option. Authorization Act for Fiscal Year 2019 Public Law 115-232. It had a brick base with timber upper cabin and it was located on the southbound platform to the south of the station building.

Lisburn

The scheme will also involve the provision of pedestrian crossing facilities and incorporate pedestrian refuge islands and traffic signals in the centre of the carriageway. There is no link to the ; , but allowances would have to be made for the different rail gauge in use in Britain and Ireland.

BLEACH GREEN REOPENED

Protests were made over the proposed withdrawal of services from Crumlin and a compromise was reached with the retention of three weekday services. In the early months of 2017 the passing loop was lifted.

BLEACH GREEN REOPENED

In 1958, the GNRI was dissolved and its lines north of the border were also taken over by the UTA. A Northern Ireland railway line threatened with closure has been given a reprieve. No account will be taken of the housing costs of either parent in the reformed scheme.

BBC News

Regulations govern the amounts to be included in the calculation of a parent's expenditure, including an amount in respect of their housing costs. It was located in the original goods yard west side of the line and its purpose was to facilitate the disposal of redundant rolling stock that was contaminated with blue asbestos.

Northern Ireland Railways Revitalisation

To facilitate the running of Londonderry services into Belfast Central the Antrim branch was refurbished. However, in April 2008 the decision was taken not to proceed with the light rail project, with the DRD choosing to implement a new bus-based network.
