The Command of The Air by Giulio Douhet, Paperback

June 1993 — June 1996, Operations System Management Journeyman, 74th Fighter Squadron, Pope Air Force Base AFB , N.

Air Force Materiel Command History

There are several aspects of the nature of airpower that Douhet gets right, but for the completely wrong reasons. The idea is that by making war so terrible, so costly, and so horrific, war will be avoided in many cases, and when it is used, it will be short, thus saving many lives in the long run.
