In 1882, moved into its first home on , housed in the. The ceiling is so far above you that you feel like ant when you sit down. It is easy to spend a day here without being conscious of the passage of time.

Seriously Funny: Chris Cran at the National Gallery of Canada

G Average wear to edges and spine; pages are clear. Eric Brown was named the first director in 1910.

Prints and Drawings

However by 1980, it had become apparent that the National Gallery would need to relocate from the building, given the poor condition of the building, use of in the building, and inadequate exhibition areas that only provided the museum enough space to only exhibit two per cent of its collection at any given time.

The National Gallery catalogues

Many reviews of Cran exhibitions reveal that he is down-to-earth, charming, very funny and prefers to wear all black. However, the museum failed to garner support from the government of , resulting in the winning bid to eventually be abandoned by the museum. This volume includes artwork of the members of Canada's Group of Seven.

Gifts, Souvenirs & Crafts

Inger Blix Kvammen, reflects on her experiences on the land and her travels with the Nenets people of the Siberian Arctic, showing how people move and relate to one another across borders and identities within a circumpolar context.
