Quiller's Outboard

He lived in Spain and France for fifteen years before moving in 1973 to the United States, where he lived in and where he died of cancer, in , in 1995.

Quiller Meridian (Quiller, book 17) by Adam Hall

Adam Hall is a novelist who writes spy fiction. The lack of a firearm, however, does not indicate passivity. It and its founder, the charismatic but highly deadly Dieter want to make a statement that will keep them remembered for a hundred year.

B001JB716A The Sinking Executive A Quiller Novel

We're not as lucky with other famous fictional spies.

B001JB716A The Sinking Executive A Quiller Novel

Where things really start to become tricky is with the W H Allen and then Headline first editions of the books. Anonymous Just picked up a nice copy of Barracuda at lunchtime for a £1, it's got a 2 inch tear on the back of the dust jacket, but hey hoh - all I need to do now is get most of the ones preceding it in the series! Quiller is a totally believable character. Officially the organization doesn't exist, which allows a greater latitude to the sometimes-questionable and always hazardous operations it conducts.

Order of Quiller Books

It was filmed in 1966 under its US title with a screenplay by and starred and.

Quiller's Outboard

Since it was only a cover, it didn't matter whether the name was a first or a last.

Existential Ennui: On Collecting Quiller, Featuring an Adam Hall Bibliography, and a First Edition of Quiller's Run (Quiller #12, W H Allen, 1988)

Expressway was originally written as Howard North, then re-published as by Elleston Trevor. He is best known for his series and for his novel The Flight of the Phoenix.

Quiller Meridian on Apple Books

Was he in Lubyanka Prison or was he walking around free? Quiller's Run I've already discussed, but the next book after that, Quiller KGB, is in rather short supply in first; at time of writing only has two copies of the Allen first edition for sale, one in the UK, the other, an ex-library copy, in Australia, both for about thirty quid. .
