British Airways: The story behind the airline's succession of chief executives

This is an action in the English courts, but it is open to anyone affected. Office of Public Sector Information. Per the image above, you do not have to be a UK citizen or resident to join the class action.

The Inside Story: I Join The BA Class Action Lawsuit

Later this year in July it is expecting to it has ordered.

History of British Airways

While rather cozy, the crew rest area seems like a lovely place to take a nap. This includes the crew rest area, which is hidden away. In June 2003, the German subsidiary, Deutsche BA, was sold to investment group Intro Verwaltungsgesellschaft.

Our new aircraft

In 1995, British Airways began planning for its future corporate headquarters at Harmondsworth Moor, to supplant its then-headquarters at Speedbird House at Heathrow Airport. According to PGMBM, British Airways need to provide full disclosure of all relevant documentation by 16 June 2021.
