## Returning the Book of Revelation to Its Historical Context

That Revelation was chosen for this honor over the other books of the Old and New Testaments is perhaps a significant indication as to the unique place this book holds in American culture.

### Books by Witness Lee from Living Stream Ministry

He begins the story in the ancient world, exploring the archetypal motifs present in the cult of water, then traces the distinctive development of the holy well in England, examining pagan wells and their Christianisation, the role played by ecclesiastical history and institutions, the importance of saints' cults, and the social functions of wells in the middle ages.

### Spiritual Meaning of Well, Fountain

Though written initially to Christians undergoing some manner of persecution, or expected persecution, Revelation still has much to say to the modern reader.
