Afraid

The second time was from 12 August until 2 November 1812 whilst the Anglo-Portuguese army occupied his capital. The child is not afraid of the dark; She was afraid to go. Retrato de Voltaire, cuyas 'Novelas' tradujo José Marchena.

Afrancesados

With Saragossa overcrowded by soldiers, civilian defenders and refugees from the countryside, a typhus epidemic began, killing more than 350 people a day.

Afrancesado

The so-called Peninsular War would follow a twisting and complex course for more than five years. In the next year, a larger contingent under Arthur Wellesley, later duke of Wellington, followed. Among the most hideous novelties of the period was the spread of vicious insurgent campaigns against French occupying forces that the French themselves tried to murderously suppress.

afrancesado

Estimates of total French military deaths in Spain vary widely, but they may have amounted to as many as 180,000. Entre ellos destaca su Ensayo de teología 1797 , en el que defenderá una ética y una política ateas, de raíz naturalista, en la línea de Spinoza, Shaftesbury y Holbach.

Napoleon's Total War

Fueron muchos los casos de linchamiento de presuntos simpatizantes con la causa del invasor a cargo de sus propios convecinos. Blaze himself recorded gruesome stories of soldiers flayed alive by the guerrillas or placed between wooden boards and sawn in two.

Afrancesado

When the French National Assembly declared war in 1793, Godoy rode the popular wave of reaction building in Spain against the French

Revolution and joined the coalition against France. Meanwhile in Bayonne, just over the French border, Napoleon insisted that both Carlos and his son abdicate in his favor, alternately cajoling, threatening and bursting into fits of sheer rage. As Miot de Melito put it melodramatically, An invisible army spread itself over nearly the whole of Spain, like a net from whose meshes there was no escape.

Afrancesados

Todo ello le valdrá ser deportado a Suiza, en 1796, en unas condiciones muy penosas.
