The Most Popular Harry Potter Book (According To Sales)

In this groundbreaking book, award winning sales leader Todd Caponi will reveal his hard-earned secrets for engaging potential buyers with unexpected honesty and understanding the buying brain to get the deal you want, while delighting your customer with the experience. Unlike Nielsen PubTrack and the AAP's Statshots, which only tally self-reported sales from a narrow sector of today's expanded publishing industry, Bookstat lets you see the whole market.
