A Critical Analysis of Pastoral Counseling Across Cultures

While considerable shifts in alliances, power and displacement among various groups shifted the alliances by the nineteenth century, the outbreak of bovine pleuropneumonia, rinderpest, smallpox and drought, weakened the Borana Oba and Tikki. An adequate general systems approach should honor the physical sub-systems of the person as well as the communal supra-systems.

Aging and the End Times: Evangelical Eschatology and Experiences of Elderhood in the United States and South Africa

Despite its egalitarian principles, the Gada politico-military structures actively excluded women. Hair begins to thin and grey.

Aging and the End Times: Evangelical Eschatology and Experiences of Elderhood in the United States and South Africa

In this and the other respects mentioned above, the Church of the twenty-first century requires a profound conversion in spirit and in its institutions to reflect its own cultural pluralism, to address the needs of the whole Catholic community, and to further a genuine communion and solidarity among the diverse members of the Body of Christ. However, this changed during the 1890s colonization of Africa.
