When Grabowski hides the CIA's hypnosis experts away in a remote Northumbrian safe house, there is only one catch: the British.

Pay Any : Greed, Power, and Endless War by James Risen (2015, Trade Paperback) for sale online

He puts his freedom on the line to get these stories to us. The US, French and the British governments blamed the Bashar-al-Assad regime for using chemical weapons on civilians, killing 1429 people, including 426 children. Chemical weapons using sarin gas was found to have been used on civilians in the town of Ghouta in Syria in 2013.

Pay Any Quotes by James Risen

This is true, many Democrats voted for Obama thinking that he was a dove. What was also important during that time was that Grabowski and Symons would reappear in the story at a later stage much later. Unfortunately Risen is unable to set aside his personal animosities in this polemic against the U.
