You can mourn with Nakshidil over the fate of Josephine as much as you like; you may even blame Napoleon since you will not be there in an official capacity... but never lose sight of French interests. I might even go so far as to say that it's the best thing for you and for his policies in the present circumstances. She would probably be arrested but at least she would escape from this nightmare.

Marianne and the Rebels (Marianne #4) by Juliette Benzoni

She was not even conscious of the absurdity of crying in the arms of a perfect stranger: she merely leaned against him as she might have done a wall, with one thought only in her mind: everything was finished. She was well aware that this had suffered greatly as, oblivious of time, place, and even the most elementary decorum due to her position, it had finally sunk home what was meant by the junction of those three words: Venice and American vessel. He is my servant and nothing in this house is his.

Box 037, Trenton, NJ 08625. I must ask you to forgive me if I've interrupted your walk. Napoleon had countered by taking notice at last of the precise activities in which the handsome colonel Sasha Chernychev was indulging at his court, maintaining a satisfying spy network through the agency of various pretty women.
