The Crime of Destruction and the Law of Genocide: Their Impact on Collective Memory : Fournet, Ms Caroline, Findlay, Professor Mark, Henham, Professor Ralph: mikhmon.us.to.au: Books

The book argues for a new approach to these crimes perpetrated 'in the name of the state' - that we understand them as crimes against humanity with particular institutional dimensions that law must address to be effective in accountability and as a basis for restoration. Author : Elisa Novic
Publisher : Oxford University Press Release : 2016-10-20 Page : 304 Category : ISBN 13 : 0198787162 Description : Cultural genocide is the systematic destruction of traditions, values, language, and other elements that make one group of people distinct from another.

Genocide and Memory

The Concept of Cultural Genocide: An International Law Perspective details how international law has approached the core idea underlying the concept of cultural genocide and how this framework can be strengthened and fostered. Its purpose is to stimulate and disseminate theory-aware research and scholarship in international relations throughout the international academic community. The survey cost nearly a million dollars to conduct and yet it languished in the archives as the killing continued, claiming hundreds of thousands of murder and rape victims and restricting several million survivors to camps.

The Crime Of Destruction And The Law Of Genocide Download Ebook PDF Epub Online

Western culture is suffused with autobiographies, especially with traumatic life narratives about the legacies of abusive childhoods.

The Crime Of Destruction And The Law Of Genocide Download Ebook PDF Epub Online

For 60 years, the crime of genocide has been recognised as the most horrendous crime in international law, famously designated the 'crime of crimes'. Unlike other books in the field of the study of the crime of genocide, this book captures the nuance and the complex issues of the debate

by providing a book-length comprehensive examination of the position of contextual elements in light of the evolution of genocide as a concept and the literal legal definition of the crime of genocide, which expressly characterized the crime with only the existence of an individualistic intent to destroy a group.

THE CRIME OF GENOCIDE IN INTERNATIONAL CRIMINAL LAW on JSTOR

The history of genocide is also affected by these broad cultural trends; indeed, in some respects it exemplifies them. This book is therefore ambitious in that it not only finds the law inadequate to its manifest purposes, but indicts it for failing to achieve something that it was not designed to do.

Review of Fournet, *The Crime of Destruction and the Law of Genocide*, for *Journal of Genocide Research* 2008

An important, and indeed vital, contribution to the growing interest and literature in the area of genocide and post-conflict studies, *Genocide, State Crime and the Law* will be of considerable value to those concerned with law's ability to be a force for good in the wake of harm and atrocity.
