And to return to the region, the people there were much distressed at this time : for Colonel Bryant, thinking this a favorable time while so many men were absent, to assemble his friends, who were ready to march at an hour's notice, gave the word and formed his camp a few miles from Riddle's ferry, on the Big Yadkin. He was one of those characters who doubtless do always more for other men than they have any thought of doing ; and although I afterwards met him as an equal, I could never help looking upon him as a superior being, and these, my earliest impressions of him, I carried with me to his grave.

Full text of

Both phases of the colonists treatment of the Indians are represented in the literature of the period.

The Song of Hiawatha

Knox from the Eastern part of it, fell that day ; also Capt.

The song of Hiawatha (eBook, 1855) [mikhmon.us.to]

Charles Townsend was appointed to proceed to Albany and obtain a loan. Winship, librarian of the John Carter Brown Library, for the use of that collection ; to the authorities of the Rhode Island Historical Society for access to some rare publications on their shelves; to Mr.
