## Sharh Usool ath

To make the matters worse, many of the Muslims had nocturnal discharge in their sleep and became impure najis. Only water is the most universal purifying agent, whereas other mutahhirat are very limited in scope.

## English Translation of Mishkat Sharah

This view is supported fully by all the mujtahids of our time, including Ayatullah al-Khu'i and Ayatullah al-Khumayni. All these discharges are tahir.

## Kitab al

Methyl alcohol also known as wood alcohol or wood spirit is tahir; it is mostly used for industrial solvents, and for making synthetic rubber, chemicals, rubbing alcohol, inks, dyes and stains, antifreeze and other similar products.

## Kitab al

In the following pages, we shall explain the rules regarding the nine inherently impure things. The sun can purify the above mentioned things provided: 1.
