**The Elements of Expression: Putting Thoughts into Words eBook : Plotnik, Jessica Morell Arthur, Morell,**

It was an interesting reference book, more interesting than most. It talks about the bones of the English language, and its flourishes.

It covers a lot of the same ground, i.

**The Elements of Expression: Putting Thoughts into Words**

It tugs at our every sentence, but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity. Plotnik's intelligence and logophilia is evident on every page.

**The Elements of Expression: Putting Thoughts into Words by Arthur Plotnik**

I would encourage anyone who wants to write or speak better to read it. The Elements of Expression offers an adventurous and inspiring flight into words that truly share what's percolating in our minds. In a crowded world the fittest individuals may be those who communicate successfully with the broadest range of human beings, whether to sell something, instill fear, or make babies.
