Thurgood Marshall's unique Supreme Court legacy

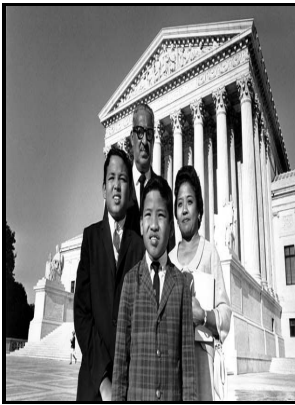

And one should always remember that the arc of the moral universe is long, but it bends toward justice. . In 1936 Marshall became a staff lawyer under Houston for the NAACP ; in 1938 he became the lead chair in the legal office of the NAACP, and two years later he was named chief of the NAACP Legal Defense and Educational Fund.

Thurgood Marshall, First Black Supreme Court Justice

How Did Thurgood Marshall Help the NAACP? It's particularly striking that while constituents and local officials expressed bluntly racist views, and many of the Senators opposing Marshall's nomination had too previously, in the confirmation hearings, all the lines of attack were about crime, threats to public order, communism, and the role of the court. Marshall's parents were like so many of their generation in the financial sacrifices they made for the education of Thurgood

Making Civil Rights Law: Thurgood Marshall and the Supreme Court, 1936

Historically only a handful of Supreme Court nominees had faced much scrutiny from the Senate until the Marshall hearings in 1967, which changed all nominations since then. At Howard, he came under the wing of Charles Houston, a prominent civil liberties lawyer, and, in 1933, graduated first in his class. Instead, he studied law at Howard University, where he graduated first in his class.

Who Was Thurgood Marshall?

Court of Appeals for the Second Circuit by President , but opposition from Southern senators delayed his confirmation for several months. It was key to get the nomination out of the Judiciary Committee. In 1945, the NAACP made a momentous change in its strategy.
