Yale Divinity Library Exhibit: Christian Responses to Charles Darwin

Physics ofLife Reviews 10: 117—145.

What Darwin Said About God

Nevertheless, some religious components seem to fit the criteria of Darwinian adaptation, if there is some correlation between the level of religiosity and reproductive rate. Since no Muslim can subscribe to that hard variation of the theory without simultaneously annulling his or her faith, there is no point in discussing it from an Islamic perspective, except for purposes beyond the scope of the present study.

Darwinism

Intelligent design simply does not rise to the level of a scientific theory.

Religious views of Charles Darwin

It is always the heart that speaks in the man of love; it discovers a greater instrument than intellect can give you, the instrument of inspiration.

Jewish Tradition and the Challenge of Darwinism

This view subsequently fluctuated, and he continued to explore conscientious doubts, without forming fixed opinions on certain religious matters. A probably yet more corrosive challenge arose from the meditations of Charles Darwin and of Alfred Russel Wallace that culminated in a Theory of

Evolution of Species.

Essay: What is Darwinism?

Cultural Evolutionary Theory: How Culture Evolves and Why it Matters. Often the idea is that Darwinism and Christian theology are like communicating vessels: the more there is of the one, the less there is of the other, for Darwinism includes explanations of natural events that undermine the Christian faith. Religion has been asleep this thousand years.
