### **From Here to Eternity (1953)**

And so it goes for all of us, from here to the end of time.

### **From Here to Eternity (miniseries)**

Not after the other people entered into it. Why would someone do such a stupid thing? Now his stories belong to soldiers living and soldiers yet to be born.

### **From Here to Eternity**

Before I close my review, I would like to mention that I saw the movie of Fred Zinnemann from 1953 soon after reading the novel.

### **From Here to Eternity: Sinatra, Rumors, Myths and Casting**

They write one book and get it out of their systems. This is held up as a WWII novel.
