Therefore, FCEL stock is another great option among hydrogen stocks. Nejat Veziroğlu Publisher: ISBN: UOM:39015004451269 Category: Hydrogen as fuel Page: View: 112 Categories: Hydrogen as fuel. Meanwhile, in America, an electric-motor manufacturer called magniX has announced a partnership with Universal Hydrogen, a firm in Los Angeles, to convert a 40-seat de Havilland Canada Dash 8-300 to run on fuel cells.

How Would A Hydrogen Passenger Plane Work?

The same would be true for other industrialised countries.

Hydrogen

In addition, the aviation industry will need to achieve the same or better safety targets than what has been achieved with existing commercial aircraft. Last month, a navy blue, six-seater aircraft took off at Cranfield Airport in England. Airbus is currently to ensure the necessary hydrogen infrastructure is in place.
