Section of Civil Rights and Social Justice

This is not because they specifically look to hire minorities. Cohen also criticized the ABA for opposing regulatory reform that would help increase access to affordable legal services for those in need and for engaging in protectionism when some legal services could be performed by paralegals and other non-lawyer professionals at a lower cost.

Governmental & Legislative Work

Our dedication to the rule of law does not stop at our borders. It logically follows that many individuals will expect to see a variety of people in law firms they are considering hiring.

American Bar Association

I encourage you to follow the activities of the ABA Midyear Meeting, the work of our House of Delegates, and the advocacy of our Governmental Affairs Office in the ABA Journal and at. In their complaint, the plaintiffs describe deteriorating facilities that lack heat and are infested with vermin.

Diversity and Its Impact on the Legal Profession

Although the ABA helped to defeat a similar proposal in the mid-1980s, the board updated our policy so that our association can effectively work with state and local bar associations, and other interested groups, to defeat the most recent legislation. Instead, I share my views on a more practical level. The first such journal was the of the , the first journal in the U.

Section of Civil Rights and Social Justice

Large tech companies like Google and Amazon are examples of organizations that pride themselves on having a very diverse workforce. .

Diversity and Its Impact on the Legal Profession

It also necessitates a rethinking of interpersonal interactions, including the role of the civil rights lawyer. It means a centering of the stories and

voices of those who are impacted by the laws, systems, and structures that so many civil rights advocates work to improve.
