I am free and safe. DEPRESSED SAINTS Lurking beneath the stigma that many Christians with mental and emotional problems face is a simple question: Can a Spirit-filled Christian have emotional problems? PLANTAR WART: Anger at the very basis of your understanding. Even people with moderate clinical depression dysthymia feel pain on their best days.

## Emotional and Spiritual Causes of Autoimmune Diseases

Itching: Desires that go against the grain. All ways of dealing with experiences. Peter Dear Farnaz, I am given this book called — you can heal your life by Louise L.

## Spiritual Causes of Diseases

In order for your body to heal, you must stop the resistance you have going on, RIGHT NOW. For those in the early stages of recovery, seeing their doctor or therapist on a regular basis is crucial, especially if they take prescription medication or struggle with a dual diagnosis challenge.

## Handbook of Spirituality, Religion, and Mental Health

Affirmation: It is in flexibility that I see. I am at peace with the process of life.

## Causes of symptoms according to Louise Hay

Slipped Disc: Feeling totally unsupported by life.

## Causes of symptoms according to Louise Hay

I found out yesterday and am still in shock really, even if the diagnosis is hopeful in that it was in its early stages and even though I will have to have more flesh removed from my thigh and have my glands checked, the doctor kept on repeating how great it is that I went to get the mole checked and removed NOW rather than waited any longer! Fibroid Tumors: Nursing a hurt from a partner. And the better you become at noticing GOOD

instead of BAD. Is mental illness always due to sin? No person, place, or thing has any power over me.
