### Boogeyman 3 (2008)

Sarah reads the diary of Audrey's dad and discovers his theory that the boogeyman would be a physical manifestation of the innermost darkest fear of a person. A bunch of garbled screen flashes of garbage that didn't really make any sense or fit into the movie other than the fact that they were random horror pics, at least it kept consistent with the genre. Despite of the flaws, this movie is not so bad and it is a worthwhile entertainment.
