Lucien, the protagonist of the first book, now known as Luciano and living as a full-time resident of Bellezza — as well as other important supporting characters, such as Silvia the old Duchessa, Rodolfo, and Arianna, appear again. I never had a solid grounding on where I was, or who I was with. It exists in a parallel dimension and diverged hundreds of years ago from the Italy we know.

David salvages architectural features from houses.

Stravaganza (series)

She is an intelligent and attractive young woman who is supportive of Matt, though Matt is frequently insecure about their relationship, particularly since her previous boyfriend is not only a rival of Matt and her childhood friend, but also very intelligent. Interesting enough to finish reading it, but not captivating enough to pick up the sequels. Unable to compare to her brother, Isabel avoids drawing attention to herself and concentrates on her only unique talent: art.

I don't even know how to explain this thing. The story, which would stitch together all the aforementioned guys, is fast-paced and atmospheric.

Luciano Crinamorte

In Bellezza, Lucien discovers that he is a Stravagante, a rare person able to travel through worlds while sleeping. Rodolfo is a well-respected and

distinguished citizen of Bellezza as a scientist and Senator as well as a close confidante and lover of the Duchessa.
