## Apple Value Chain Analysis

It is the responsibility of the final exporter to obtain the required documentation prior to sending any consignments to the EU. The commission is expected to put forward a legislative proposal on corporate accountability in the first half of the year. Oceana released a study detailing that 43 percent of their 82 grocery store and restaurant samples of Alaska salmon were mislabeled, according to DNA samples; 69 percent were farmed Atlantic salmon being marketed as Alaska or Pacific wild-caught.
