I have little time but perhaps I will see your tears of joy.

♥Fahrenheit 飛輪海♥: Bu Hui Ai

How many loves, I also remember well Always gentle and soft, always intimate.

chinese song list: Chinese Song List

I cannot love, your love is hurt Therefore I'd rather wait peacefully Only cold air is left to accompany me the whole night Loneliness is like a traffic jam unable to move I turn over and suddenly I'm awake in the middle of the night In the dream your lips are soft I cannot slow down loving you, everyday is no exception Quicker than myself I will be able to catch up with your future First welcome to this Fanmade Fahrenheit X site. I'm very happy that someone would chat there. .
