## Residents Portal

Indeed, in 1882 the Dominion Lands offices at Winnipeg, Gladstone, Little Saskatchewan, and Birtle were instructed to offer for sale all odd-numbered sections of Dominion lands still vacant in their respective districts. Such sales were, however, restricted to Townships 15 and 16, and the southern half of Township 17 in Ranges 24 and 25 - seemingly in anticipation of the reservation for the Portage, Westbourne and North Western Railway later the MNWR. Calculator This is the MAIN PAGE FOR UNIT ELEVEN and contains your introduction to the UNIT and all the navigation further down the page to the TOPICS in each of the two SESSIONS.

## REAL ESTATE AS A PROFESSIONAL CAREER, MODULE 2

Nonetheless, real estate practitioners routinely encounter specific legislation when listing and selling property and must be familiar with statutory impact on those activities. Registration operates as notice notwithstanding defect in proof for registration 53 Except as otherwise provided in The , the registration of any instrument under this Act or any former Act relating to the registration of documents or instruments affecting lands constitutes notice of the instrument to all persons claiming any interest in the lands subsequent to the registration, notwithstanding any defect in the proof for registration. The restriction of Provincial Lands to alternate sections in Township 17 of Range 16 is explained by the inclusion of this township within the area reserved for the Manitoba and North Western Railway.

### **Concerned Citizens consider complaint to Manitoba Farm Industry Board**

From the point of view of land grants the Reston district is clearly the most uniform of the four case study areas. Missing files may be in the Department of the Interior Manitoba Act Files available on microfilm at the archives. At least 15 acres had to be broken and ten cropped.

### **C.C.S.M. c. F35**

The township plans show the name of patentees and patent numbers. Swamp Lands and the University grant were unique to Manitoba, and irrigation alien to the province.

### **Farm Lands Ownership Regulation (Man. Reg. 204/87).**

At the time when this line was built the district was little more than a zone of passage, certainly not the object of any great wave of pioneer settlement. Click image to enlarge In the nineties the construction of the Souris Branch in the southeast and the Pipestone Extension in the northeast encouraged settlement in these areas. Destruction of documents 44 5 Without making and keeping a microfilm record thereof, the Registrar may destroy a any grant of probate or letters of administration after 40 years from the date of the registration thereof; b any claim for lien under The , certificate of lis pendens, certificate of judgment or certificate of lien that has been withdrawn or discharged or has otherwise lapsed or been disposed of, together with any assignment thereof, and the withdrawal, discharge, order or other form of disposal thereof, after 20 years from the date of the filing of the withdrawal, discharge, order, or other form of disposal thereof or from the date on which lapse thereof is effective; c any lease that has expired or has been surrendered and that deals exclusively with land that has been brought under the operation of The , together with any assignment or surrender thereof after a period of 20 years from the expiration date shown in the lease, or after 20 years from the date of execution of the surrender; and d any mortgage that has been discharged and that deals exclusively with land that has been brought under the operation of The , together with the discharge and any assignment thereof, after a period of 20 years from the date of execution of the discharge.
