Career Outcomes Surveys

Graduates of the College of Arts + Sciences pursue a variety of destinations beyond traditional employment with an organization, including graduate school, artistic endeavors, entrepreneurial opportunities, and service, among others. When an animal species exists over a large area, the individuals in the north are usually larger than those in the south.

First destination after undergraduate degree

My body is failing after just a minute in this winter chill. Infographic 1 Silhouette of a college graduate.

First Destinations Reports

The First Destinations reports provide educational and career placement information for alumni who graduated with a bachelor's or graduate degree during the previous academic year. First Destination Survey The First Destinations of Undergraduate Alumni is assembled annually by the Career Development Center in an effort to provide accurate and useful information to students, faculty, staff, administration, and the community about the post-graduation activities of our alumni. While many graduates remain in the Hoosier state for their first position, College students accept positions all over the nation and around the world.

Sewanee

Report Work Experience College of Arts + Sciences graduate and undergraduate students are encouraged to report their work experience, internship and post-graduation successes through our secure career analytics site. The career data has important implications, from addressing the questions and concerns of prospective students to answering accreditors who are measuring institutional quality. Campuswide, recent graduates from the University of Illinois found jobs, pursued more education, or began a volunteer program at record rates.

What do first degree Bath graduates do?

These are just a few of drinks available at —our student-run coffee house. Almost a quarter of students here were involved in mentored research projects last year, in the sciences of course —but also in the arts, English, politics, and more. Their diligent work and extensive connections ensure

access to top employers and institutions so that students pursue meaningful work after graduation, whether that be starting a career, pursuing further education, or devoting time to public service.
