Growing Up Absurd: Problems of Youth in the Organized Society by Paul Goodman, Paperback

Consequently, many converts defied traditional authorities in asserting their new convictions. Despite all of the hullabaloo about environmental issues, for example, polls regularly show that they are at the bottom of most Americans' concerns.

Paul Goodman, Growing Up Absurd: Problems of Youth in the Organized System, (1956), pp

Contributor to Dissent, Commentary, Harper's, Commonweal, Poetry, Playboy, Salmagundi, Esquire, Symposium, Mademoiselle, Nation, New York Review of Books, and other publications.

Growing up absurd; problems of youth in the organized society : Goodman, Paul, 1911

But they have hit on the theory I mentioned at the beginning: that you can adapt people to anything, if you use the right techniques. On this view it is impossible to solve social problems without embracing spiritual reform first. White, editors, Identity and Anxiety, Free Press, 1960.

The New Age of Reason

In 1958, after publishing in small political and cultural magazines, Goodman began to receive requests for writing and speaking on social criticism from mainstream editors.
