. Despite growing awareness of sports-related concussions and campaigns to educate athletes, coaches, physicians, and parents of young athletes about concussion recognition and management, confusion and controversy persist in many areas. .

OK Dept. of Libraries

Athletes, their teammates, and, in some cases, coaches and parents may not fully appreciate the health threats posed by concussions. This report explains the science that has emerged during the past 30 years on eyewitness identifications and identifies best practices in eyewitness procedures for the law enforcement community and in the presentation of eyewitness evidence in the courtroom. This book's innovative framework can be used by any size or type of library, and by any library advocate, including Friends groups, library staff, trustees, and foundations.
