The gift of dyslexia : why some of the smartest people can't read

So far it reads like a commercial on his products.

The Gift of Dyslexia

I found this book quite inspiring, to hear from someone who had shared my frustrations and understand more about the way I process things.

The Gift Of Dyslexia Why Some Of The Smartest People Cant Read And How They Can Learn PDF Book

He offers no science to back ANY of his claims, and indeed modern neuroscience doesn't line up at all. Those who rate it poorly seem to do so based merely on the fact that the theory that Davis posits is not supported or referenced by scientific data.

The Gift of Dyslexia

Like so many with ADHD, I love instant gratification, and that is what a Davis programme gives me every single day - instant results, constant sense of achievement and making a difference. I have poor visual imagination, however.

The Gift of Dyslexia: Why Some of the Smartest People Can't Read...and How They Can Learn by Ronald D. Davis

This disorder, if not dealt with properly, can make a person's life extremely difficult.

The gift of dyslexia : why some of the smartest people can't read and how they can learn : Davis, Ronald D. (Ronald Dell), 1942

I think it's a great theory. It will work whether he's right or not.

The Gift of Dyslexia: Why Some of the Brightest People Can't Read and How They Can Learn by Ronald Davis

I can be grateful for and give her praise for her gifts instead of only focusing on the struggles. This disorder, if not dealt with properly, can make a person's life extremely difficult. Could we reduce crime statistics by diminishing the number of highly intelligent dyslexic criminals who developed poor self esteem who unknowingly harbor genius gifts; The dyslexics who made poor choices or who just gave up? When she was in her late thirties a friend told her about this book and she got me to read it, in the hope that I would follow the instructions in the book and help her overcome her dyslexia.
