Charl Phil Brown

Participium perfecti which is created on the basis of regular weak verbs, e. In his opinion, it is the Territoriality Principle that prevents the spread of individual bilingualism nationwide. When using the words and names in the course of discursive elucidation, I fear I have not been consistent in sticking either always to the popular or always to the scientific spelling, and I can the better understand why a German critic of a book of mine, once upon a time, remarked upon the etwas schwankende yuliscle Orthographle.

The dates of editions are as follows: Vol. But I soon found that the work required revision and correction. Comparison of vocabulary in parallel texts has revealed that this language is Polish, which forms another argument for locating the original homeland of the Slavs in the basin of the Oder and the Vistula.

GRAMMERS AND CHRESTOMATHIES

There were an immense number of editions of the original, with modifications, and a second English version by the same Justamond in 6 vols.
