Surreal Encounters

Successió Miró may offer more detailed information, and can be contacted by email at.

Surrealist art

Dupin, Miró, Paris 1961, no.

21 Facts About René Magritte

References: Foster, Hal, Rosalind E. At this exhibition we aim to trace the evolution of Surrealism through the graphic pieces of the greatest Surrealist artists, from a pre-Surrealist painter such as de Chirico to Magritte, Dorothea Tanning and H.

Surrealist art

No, it's just a representation, is it not? Ernst's choice of sources, however, were not simply random. It now sold to a private European collector for £7. Frottage An early member of both Dada and Surrealism, Ernst invented frottage 1925 - a technique of creating an image by placing a piece of paper over a rough surface, like grainy wood or stone, and rubbing the paper with a pencil or crayon until it acquires an impression of the surface quality of the substance beneath.

21 Facts About René Magritte

There is more to the nightmarish world than people think.

Surreal Encounters

What saved Surrealism from being just another adolescent effort to *épater le bourgeois* was partly the seriousness with which it took itself. Relation between Magritte and contemporary art was further examined through the homonymous publication of Michel Foucault and also shown within the exhibition *Magritte and Contemporary Art: The Treachery of Images* in 2006-2007 at the Los Angeles County Museum of Art. Modern masters, such as Monet, Matisse, Mondrian, Picasso, Braque, Modigliani, Chagall, Duchamp, De Chirico, Miró, Magritte and Dalí are the key figures in a major exhibition by Ferrara Arte that, for the first time in Italy, through a careful selection of works coming from prestigious public and private collections all over the world, tells about this golden period in the City of Light.
