### The 5 Best Chess Books to Advance Your Game

When all is said and done, the chess book experience is a very personal one. We are in the middle.

#### 10 tactics books

Also, I'd recommend Lev Alburt's 'Chess Tactics for the Tournament Player, once you have a good basis on the fundamentals. Anderson's personal collection of 6700 volumes donated between 1959 and 1966. I have heard only good things about the Susan Polgar books but haven't looked at them though.

#### Best tactics books.

Symbolically, the duel between Dr. Naturally, everything written above is merely my own personal opinion.

### The 5 Best Chess Books to Advance Your Game

A brilliant piece of literature that will give one a lot of psychological insights. The reason is simple: a LOT of practice and exercises are required.
