15 Ways to Start Investing in Real Estate With Little or No Money

Originally published in 1938, Hill was challenged by the great industrialist Andrew Carnegie to interview 500 successful men and women in order to distill their success stories into a simple formula that could be duplicated by the average person. After reading this book, I felt empowered to take charge of my financial success and become an investor and not just a saver. However, this includes retirement savings as well as any emergency savings, and is not likely to be enough for the average person.

101 Real Money Questions: The African American Financial Question and Answer Book: Jesse B. Brown, Tavis Smiley: 9780471206743

Whether you're living from paycheck to paycheck, or simply confused by the world of stocks, bonds, and brokers, it's never too late to change your situation.

8 Financial Tips for Young Adults

This is the number one difference between people who retire early and those who wait until social security -- people who retire early learn how to invest. The app is a directory of local Black-Owned Businesses and has information for the United States, the UK, France, and Canada! We have to put action with a plan and do the work.

How to make your finances a top priority in 2021

In order to win support from southern senators, FDR gave his blessing to exclusions for agricultural and domestic workers, who were

overwhelmingly African American. Instead of struggling even with the help of roommates in an expensive city, consider relocating to a more affordable.

Single Women, Minorities Flock To Digital Mortgage Lenders; Here's How Minority Homebuyers Can Get A Leg Up

I graduated from MBA school and went corporate in 1993, so I didn't have access to the web-based resources available today. You will not live forever, but with some care and foresight, you may get a little closer! Sounds cheesy, I know, but I truly believe it.

'Black history is American history': How to educate yourself and work toward racial equity this month (and beyond)

Essentially, you list all the things you need to accomplish in your financial life and then start making moves to get them done.
