Working with PhD students is multidirectional and I can only hope that they have benefited working with me at least as much as I with them and so I would also like to thank Robert Baines, Philip Keel Geheber, and Alison Lacivita. He was cocurator of the National Library's Ulysses exhibition, which featured more than a dozen newly uncovered Joyce manuscripts. University Press of Florida, 2007, pp.

Ithaca: Cornell University Press, 2012. We have tried to recreate this vitality in the present volume with a double purpose, or double trick.

Joyce's Nietzschean Ethics

On the micro-scale we have the virus. As Russell proves in his Introduction to Mathematical Philosophy, the existential quantifier and the universal quantifier can each be defined in terms of the other, so that universality and particularity are interrelated, like alp and hce. My primary area of expertise is in the study of literary manuscripts and archives, but I also work on textual scholarship and scholarly editing, reception history, literary history and literary heritage, marginalia, writers' libraries, digital humanities, poetry, Irish studies, and photography.

Already the work done on the genesis of Joyce's texts has fostered both new insights and new questions regarding the overall status of his oeuvre. Authors I have published on are William Wordsworth, W. This week, Professor and Joycean scholar Sam Slote from Trinity's School of English, speaks about the many learnings we can take from Joyce's Ulysses as we mark Bloomsday 2020 in the midst of a global pandemic.

Joyce and the Pandemic

Various politicians and commentators called for an easing or ending of quarantine in order to get the economy back on track. First, the essays collected in Genitricksling Joyce are not only indicative of the growing body of genetic scholarship, they also signify methodological and theoretical changes among its practitioners towards a more open form of discussion and understanding. Ulysses shows us that life is difficult, but in its

difficulties there can be joys.

Wim Van Mierlo

It is the first comprehensive genetic discussion of *Finnegans Wake* chapter by chapter, and anyone seriously interested in Joyce and the *Wake* will benefit from reading it. We have tried to recreate this vitality in the present volume with a double purpose, or double trick. *Ulysses* is filled with the kinds of mundane experiences that many of us missed in our various quarantines: randomly meeting people in the streets, going to shops and pubs, eating out, chatting amiably, and so on.
