Although account management is a primarily administrative function at some agencies, most have a number of higher-level jobs in the department. The firm recently acquired Voce Communications, a technology PR and social media firm with which it partnered on successful new business pitches to Hitachi and Monster in 2010.

career e

It is the planned and sustained effort to establish and maintain goodwill and mutual understanding between an organisation and its publics. Together, these firms own many of the major players in traditional and interactive advertising.
