Tags: #Read, #Reflect, #Write, #and #Share.

**katherine sokolowski: Little Elliot, Big City by Mike Curato**

I soon saw that the mentor texts helped, but my students needed more. I recall feeling overwhelmed and yet very empty at the same time.

**Read. Write. Reflect. : Excerpt : Women Writers, Women's Books**

I stayed right there though, just in case. Outside of class, I ask his former teachers about him.

**Read Reflect Write**

Bhude uses stories and anecdotes as reflecting ponds to elucidate these basic actions that will set you on YOUR path to creativity. But there were always points in the chapters that I think can help me grow. A few years ago, I started taking notes on certain books that really stood out to me.

**Read. Write. Reflect. : Excerpt : Women Writers, Women's Books**

It is humbug to pretend this is not a motive, and a strong one. I personally liked that after each topic approached, you have to answer a question and eventually develop a new theme.
