## Friedrich Schiller

Although having less than a week's time to study the poem, he seemed to have thoroughly grasped the picture the , author so beautifully paints in words, and presented it to his hearers in such a way as to also bring to their minds, through Mr. The stanza continues by describing a traditional family, with the man going out into a hostile world while at home the virtuous housewife prevails.

## Friedrich von Schiller (1759)

What signifies a feeling of belonging to your homeland? ZIMMERMAN, Editor of the Times. What do you mean we lack a sense of humour? Joy to me now God hath given! A San Francisco Lady's Inquiry. Can children grow up bilingual? Zimmerman's translation has so many excellencies that it must be placed in the list of those which deserve special attention, and by their merits demand the consideration of those who seek for, and would use the hymn in English.

## Previous Events

Und weithin klang Der Zwiegesang Das mondbegliintze Thai entlang.

## Lied

Save that, 'mid these ruins, gray and chirps a cricket its melancholy tone. I thought there is no English which could take the place of this beautiful German.

## Poems by Schiller

His principal dramas are Wallenstein, Wilhelm Tell, Die Jungfrau von Orléans, Maria Stuart, and Don Carlos, of which Wallenstein is, usually placed

first in merit. A great many letters of commend- ation of his work, which appeared in the first edition, have been omitted in this, while a number of others, from distinguished sources, which were received after the initial volume had made its appearance, have been inserted in this.
