Propterea fit, ut hac discretione exercenda, id ante omnia sit quaerendum: christianorum religio quomodo valeat, quam longius processerit, quibus obicibus distenta sit. That he did so suggests how strongly his mind was working to generate his desired image of a papacy subject to the universal church. Sed in tantum oentrum magnitudinia terrae a centro mundi magia elongata supra aquas elevatnr et sic remanet aquis discooperta.
