### The Labyrinth Of Solitude

In order to embody these virtues he creates characters who belong to ancient or non-European races, or he invents the figure of Mellors the gamekeeper, a son of the earth. We are sorrowful and sarcastic and they are happy and full of jokes. History, which could not tell us anything about the nature of our feelings and conflicts, can now show us how that break came about and how we have attempted to transcend our solitude.

### The Labyrinth of Solitude (January 12, 1994 edition)

It's the good bad guys against the bad bad guys in this brilliantly crafted, linguistically dense, European wise-guy tale, and readers will find themselves funning for the triumph of lesser evil. Men and women are subjected from childhood to an inexorable process of adaptation; certain principles, contained in brief formulas, are endlessly repeated by the press, the radio, the churches and the schools, and by those kindly, sinister beings, the North American mothers and wives.

### The Labyrinth Of Solitude

Thus our evolution would have followed the same stages as that of Europe.

**The labyrinth of solitude : life and thought in Mexico /**

But it is a criticism that respects the existing systems and never touches the roots. Blasphemy, as Machado wrote, is a prayer in reverse.
