A cycle is at work; too many children too early make it most difficult for the parents to finish school. . As a child, Johnson read avidly and worked in a barbershop.

How Slavery Affected African American Families, Freedom's Story, TeacherServe®, National Humanities Center

When this shift occurs suddenly, drastically, in one or two generations, the effect is immensely disruptive of traditional social patterns. It is important not only for physical fitness, but for mental development as well.

Charles S. Johnson

Almost 90 percent of the ADC families are Negro. Reproductions of many of Frazier's essays and journal articles are available in The Moorland-Spingarn Research Center.

64104826

Although it is impossible to know exactly how many black women were sexually assaulted under slavery, such abuse was widespread.
