## Le Corbusier Apartment 50 at the Unité d'Habitation in Marseille

The New Brutalism: Ethic or Aesthetic?. The creation of a new means of circulation, functional organisation, conception of a system of integrated relations: all these possibilities were used in a disciplined way and reflected the great desire to intervene in the architectural process and modern societies. A sunscreen loggia extends the stay outside and modulates the entrance of the sun.

Les parties communes sont libres d'accès pour les individus, dans la mesure où cela ne dérange pas les habitants.

### ☐ Unité d'habitation of Marseille

In 1947, Europe was still feeling the effects of the Second World War, when Le Corbusier was commissioned to design a multi-family residential housing project for the people of that were dislocated after the bombings on France. Le Corbusier combines three basic modules allowing multiple combinations, from single cell single, to type E for families of four to eight children. Oggi ne scopriamo una particolarmente interessante.
