**Oscar Wilde's trail for homosexuality: The harrowing true story about the Dorian Gray...**

B Yeats and a vast collection of other writers, poets, playwrights and authors set an extremely high standard for the modern era. Three weeks later, Wilde was retried. It is not to be found in Nature herself.

**Oscar Wilde: Writer During Victorian Period**

Who wants to be consistent? All I insist on is that, as a class, they are quite unreadable. At that time I used to read serial stories, and I well remember the shock of surprise I felt when I came to the description of the heroine.

**Biography of Oscar Wilde**

Thought and language are to the artist instruments of an art. The Decay Of Lying: An Observation A DIALOGUE. The highest, as the lowest, form of criticism is a mode of autobiography.

**Oscar Wilde Trial**

But let me get to the end of the passage: 'Art finds her own perfection within, and not outside of, herself. Along with Critchley who did not retrospectively diagnose a cholesteatoma in his report, all three doctors concurred that it was an out of control middle ear infection that killed Oscar Wilde. There is no such thing as a moral or an immoral book.

**Biography of Oscar Wilde**

Although Wilde was already planning to expand the story into a novel, he certainly reacted to the insinuations in the press. I quite agree with you there.
