[C#][WPF]時間のかかる処理ってどうするのよ？

Стиль поэта нарочито таинствен, подчас каждая строка как загадка, требующая разгадывания, в ходе которого происходит проникновение в мысли автора, постижение его чувств.

**Naruszenie fleksyjności we współczesnym języku rosyjskim z perspektywy typologii systemowej języków Georgija P. Mielnikowa**

К вопросу о ритмической структуре «симфоний»: на материале «Кубка метелей» Проблема ритма прозы А. Janelle Monae's The Electric Lady was another new entry at 14.

**Naslovna**

Indeed, the most visionary moments of his odic corpus point to a The Ode and the Empress 71 pax russica that takes us considerably beyond the crude belligerency of his early odes. Majestät und der Pforte an. These developments, however, fall outside the history of the imperial sublime, whose next decisive moment is the dialogue between Lomonosov and the poet Derzhavin.

**The Imperial Sublime: A Russian Poetics of Empire (Wisconsin Center for Pushkin Studies)**

These are the beginnings of a persistent analogy found in Russian literature: the relationship between the emperor and his empire is seen as parallel to the one obtaining between the emperor and the writer as subject. В последующие годы целостность поэтической системы символизма начинает распадаться на ряд, казалось бы, не связанных между собой составляющих.

**Сравнительные конструкции в поэтических текстах Юрия Шевчука**

Interestingly Trediakovskii does not insist here on any absolute Sublime Beginnings hierarchy of theme or genre, and the preferences he does express correspond to notions of euphony rather than ideology.

**Grupę DINAMIKA**

Rivers, cliffs, clouds, and mountains converse freely in these poems, generating dialogues that read as brooding parables on the themes of violent death, erotic longing, and imperial encroachment. This correlation of form and content was further specified by the elevation of the ceremonial ode as the privileged genre of Russian poetry.

### **The Imperial Sublime: A Russian Poetics of Empire (Wisconsin Center for Pushkin Studies)**

С категорией метафоры сливается, сочетается, переплетается в текстах Ю. In converting the sublime command of God into an effect of the imperial state, the poem provides further evidence that the prophetic tradition in Russian verse remains consistently, if subtly, within the orbit of the imperial sublime. Lomonosov, the relevant aspects of this Franco-German tradition will be indicated.

### **Mūzika**

It is important to note that this alienated identification with the mountain dweller was always partial and never implied an expression of political solidarity on the part of the Russian artist. These allegorical bodies were the tsars themselves, who coexisted in the space of empire and were coextensive with it, displaying their face and limbs as attributes of might or retributive justice.
