. The law allowed Kitchell the use of already-completed field maps, woodcuts, and survey apparatus—which he was obligated to return to the state after the completion of his work—but the resulting maps and reports from the new survey had to be published at his own cost. New York: By George Forman, for Cornelius Davis, 1799.

Felcone, the copy that the Morristown NHP has in its possession resembles many of the other first edition copies still in existence except for one unique feature. That research culminated in the first published history of New Jersey from its first settlement to the year 1721, including some details of its current state when the book was published in 1765. Philadelphia: Zachariah Poulson, 1798: 5.

Morristown National Historical Park Museum and Library: Featured Artifact: The History of the Colony of Nova Cæsaria, or New Jersey by Samuel Smith (Part 2)

The baggage, coaches, horses, mistresses, and plunder of the rich British officers stretched out 12 miles behind them.
