The World as Will and Representation/Third Book

What distinguishes them is that the brute has really no idea of the past as such, though the past acts upon it through the medium of custom, so that, for example, the dog recognises its former master even after years, that is to say, it receives the wonted impression at the sight of him; but of the time that has passed since it saw him it has no recollection.

Apocalyptic literature

Both previous popes were not just speaking about unity.

A Word from my Colleagues in Bible Prophecy

Thus, the final rule describes law enforcement investigations and official proceedings as inquiring into a potential violation of law. Since its independence in 1917, Finland has required Swedish language instruction in its schools. Since it is the principle of sufficient reason which places the objects in this relation to the body, and, through it, to the will, the one endeavour of the knowledge which is subject to this principle will be to find out the relations in which objects are placed to each other through this principle, and thus to trace their innumerable connections in space, time, and causality.

A View of Religions

During the period of classical Hinduism, Brahma, Vishnu, and Shiva emerged to represent, respectively, the three primary functions of creation, preservation, and destruction. For Church members, birth is not an indication of failure to achieve release from the wheel of birth but rather a positive step forward along the path from premortal life to mortal life to immortality and eternal progression.

Understanding the Role of Subjectivity. The distracted Ajax, King Lear, and Ophelia may be taken as examples; for the creations of true genius, to which alone we can refer here, as universally known, are equal in truth to real persons; besides, in this case, frequent actual experience shows the same thing.
