## Pain Solutions: Spine & Head Clinic

In addition, all procedures are performed under fluoroscopic guidance or ultrasound. Our patients receive the most current techniques in pain diagnosis and treatments specific to their unique condition.

## Pain Solutions: Spine & Head Clinic

We believe in and respect our patients' abilities to listen to medical information about his or her conditions and then work with physicians to resolve or alleviate their symptoms.

## Pain Solutions: Spine & Head Clinic

Our patient-center approach recognizes that patients should have input about his or her care without the unseen guidance of an insurance company.
