## Dialogic Statement: Formation and Functioning (by the Material of Pilot

This is a result of them being short, vague, and wittedly formulated. Nedan följer några exempel på ryska och tjeckiska anekdoter som bygger på olika slags bakgrundsinformation. The connection between the meanings Q1 and Q2, which are produced through the expressions P1 and P2, and primarily through the similarity in sound between them and the graphic layout of the written text, 13 creates the pun.
